Nestles makes the very best CHOCOLATE!!

If you don't believe us, just try some! The VAVS Executive Committee is hosting a fundraiser by selling candy bars. If you are interested in helping to sell these, or if you are interested in purchasing some, please contact your organization or Voluntary Service. Proceeds are to benefit YOU, our volunteers, for such things as the volunteer picnic, the volunteer awards banquet, National Volunteer Week and other such activities.

VAVS Network Newsletter

Be on the lookout for a new Network Newsletter. Voluntary Services within the Network will be providing to our volunteers a new newsletter that will include the entire Network consisting of Bath, Buffalo/Batavia, Albany, Syracuse and Canandaigua/Rochester. The newsletter will be sent quarterly, will be informative and will provide you with network activities as well as hospital specific activities. We are still in the planning stages and hope to provide you with the first copy in Spring 2001.

VAVS Quarterly Meeting

Attention VAVS Representatives/Deputies: Attendance at quarterly meetings has noticeably decreased during the past several meetings. Though an organization's cumulative attendance is based on only one representative attending each meeting, it is important that all representatives/deputies are aware of the changes and reorganization occurring at both VAMC Canandaigua and at the Rochester Outpatient Clinic. The format includes the quarterly reports from the Medical Center Director as well as other Care Lines. It is essential that this information be disseminated to your membership. Guests from your membership and questions concerning changes throughout the facility are always welcome. Please remember, though, to be courteous and respectful to the speakers.
